## TO BE COMPLETED BY THE PATIENT: *ELECTION OF POSTOPERATIVE CARE PROVIDER*

I understand that I may elect to have my postoperative care performed by the optometrists at Horizon Eye Specialists and LASIK Center or by another eye doctor. If I choose to have my follow-up examinations performed by another eye doctor I must notify Horizon Eye Specialists and LASIK Center when I schedule surgery so that payment can be apportioned appropriately. I understand that if I choose to receive my follow-up care outside Horizon Eye Specialists and LASIK Center the transfer of such care will only occur if and when it is medically appropriate, and my surgeon releases me.

In transferring my follow-up care I realize that it becomes the responsibility of the doctor I have chosen to provide Horizon Eye Specialists and LASIK Center with information concerning my post-operative status. I understand that if my local eye doctor identifies a complication I may be required to return to a Horizon Eye Specialists and LASIK Center physician at any time. Also, I may choose to return for any reason of concern I may have.

☐ I elect to have my local eye doctor, Dr._____ examine me postoperatively and I authorize this doctor to release copies of my treatment exams to Horizon Eye Specialists and LASIK Center during my:

☐ Cataract 90 day postoperative period ☐ LASIK 1 year postoperative period ☐ Other_____

☐ I elect to return to Horizon Eye Specialists and LASIK Center for my postoperative care.
